Dear WFCP member,

The Council of Community Colleges of Jamaica - a member of the World Federation of Colleges and Polytechnics - is celebrating its 20th anniversary this year. For this celebration, there are several activities with the first being a webinar. This webinar scheduled for 2021 September 1-2 will address issues such as:

- (a) Innovative Approaches to Assessment
- (b) High-Quality Assessment
- (c) Foundation of Assessment Post COVID-19
- (d) Academic Integrity
- (e) E-proctoring

The Council is seeking persons with expert knowledge in the areas listed above to share in the webinar. Presentations should not be longer than 45 minutes. Persons who have an interest in presenting may submit, by 2021 August 7, a 250-word abstract, in word format along with a one-page explanation of the topic, identifying the strand selected.
